

## JASON Expedition: Mysteries of Earth and Mars

*Dr. Robert Ballard* and a team of scientists will take middle-grade students and teachers on the trip of a lifetime - to Mars! Or as close as you can get while still on Earth. Working with partner organizations such as NASA, as well as research and academic institutions around the world, students will conduct investigations and make discoveries that will help unravel the Mysteries of Earth and Mars.

A JASON live satellite feed will be available to the public **Saturday February 4, 2006 at 10am, 11:30am and 1pm** at the Hiller Aviation Museum. Teachers interested in bringing their students the week before need to contact the Hiller Aviation Museum Education Department (650) 654-0200 x222
