

HILLER AVIATION MUSEUM

GRANT FUNDING APPLICATION

For qualified schools serving low income students, grant funding may be available to waive admission fees up to \$150. Grant awards under this program may not be used to waive hands-on program fees or for transportation reimbursement. To apply for grant funding, make your Field Trip reservation and then complete and return the following at least three weeks prior to Field Trip date:

School Name: _____ District: _____

Field Trip Date: _____

Address: _____ Phone: _____

_____ Fax: _____

Teacher Name: _____ Grade(s): _____

Percentage of Students Qualified to Receive Free/Reduced Lunch at School: _____

All awards are restricted to admission fee waivers only. Please note that Field Trips must be scheduled before grant funding applications will be considered. Recipients will be advised in advance of the status of their application.

Schools with at least 40% of students qualified to receive free or reduced price meals will generally qualify. Awards will be made based on this criterion and on the availability of funding. Transportation reimbursements to approved applicants will be made after the field trip is completed and a receipt/copy of the invoice is provided to the Museum's Education Department.

Grant awards are limited to admission fee waivers up to \$150 per school per year. All awards must be disbursed no later than June 30th, 2010. Please contact the Museum for additional information.
